

### **This kit contains:**

- A complete kit of Namer in resin (IDF).
- A figure made of resin.
- A manual of assembly in two sheets first side / reverse.

### **In this manual of assemblage you will find:**

- On the first sheet: the manual step by step. Each picture represents a step and parts required for each step are indicated at the top left of each picture (part number relating to the nomenclature of second sheet).
- On the second sheet: you will find the nomenclature that is to be placed next to the sheet for assembly in refer to each number.
- So a historical text

### **Useful Advises:**

This kit is not recommended for children under 10 years. Keep out of reach of children. They should not be allowed to ingest small pieces or manipulate the plastic bags in any way. It is recommended to use glue cyanoacrylate.

### **Historic:**

The Namer is an APC that can carry 8 soldiers and 3 crew members. it is only Israeli design. It is based on a Merkava I and this is the first transformation made on the basis of Merkava, then follow the Namer, the Namer AIFV ...

It is equipped with a 7.62mm machine gun designed by the Israeli company Rafael, and a ram at the front, thereby breaking the walls.
